**I. Objections Under 35 U.S.C. §112**

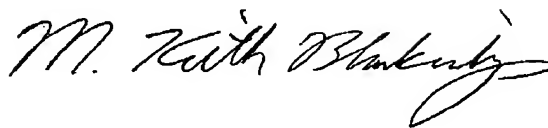

Applicant thanks the Examiner for his astute discovery of the scrivener's error in claim 28. The error is now corrected.

**II. Amendment Matters**

Applicant requests that this amendment, filed after the notice of appeal but prior to the filing of the appeal brief, be entered. All amendments are for the purposes of: rewriting dependant claims in independent form; canceling claims; and complying with issues of form specified in the latest rejection. The sole amendment relating to subject matter occurs in claim 24 where the limitations of claim 25 and 27 were incorporated therein. This amendment places the limitations of claims 24, 25 and 27 in better form for appeal.

Respectfully Submitted,
